9781933390178: The Brilliant Dr. Wogan (Choose Your Own Adventure #17)

Wogan was male, and in the reissue, she's a woman, stuff like that. Pages are intact and not marred by notes or highlighting. A machine that could stop radiation would shift the balance of world power overnight.

9781933390178: The Brilliant Dr. Wogan (Choose Your Own Adventure #17)

Montgomery was an adventurer all his life, climbing mountains in the Himalaya, skiing throughout Europe and scuba-diving wherever he could. Both good and bad, but at least it was with my boss. It seems promising enough, displaying better-than-average writing by Montgomery and having a plot that, while hardly original, is at least mostly coherent.

The Brilliant Dr Wogan by R a Montgomery

Wogan has designed such a machine. . In the right hands, it could herald a new age of world peace.

The Brilliant Dr Wogan by R a Montgomery

Montgomery's I have read in the series so far. Wogan, who has left our group of scientists the Delta group -- we are world famous! Montgomery falls short on a few of his endings and they get so wordy that it just isn't great story making.

The Brilliant Dr. Wogan

A well-cared-for item that has seen limited use but remains in great condition.
