Fire Raiser (Spellbinder, #2) by Melanie Rawn

One spark could set the whole house ablaze. Spellbinder had its flaws, but there was a real story there, with suspense and romance and sex that integrates magic with the real world skillfully, one that kept me reading all the way through.

Fire Raisers, Freaks and Fiends: Obsessive Arsonists in the California Foothills: Nordskog, Ed: 9781482327793: play.fridaynightfunk.rf.gd: Books

The individual character's storylines are real, and give them depth and--for lack of a better word--character. The plot tries to weave human trafficking in with a magical undercurrent, largely unsuccessfully. If Gib and Erika could have been more annoying and insufferable, I'm not sure how.

The Fire Raisers (1934)

But I struggled through Fire Raiser. A timely, absurd play; a metaphor about the processes of fascism happening in plain view. Looking for proof, Evan and Holly attend a fund raiser at the plantation.

play.fridaynightfunk.rf.gd: The Fire Raiser (0046442750417): Gee, Maurice: Books

Loved this - how cleverly the plot is crafted. I honestly had a problem with the constant sociopolitical screed in reference to gay rights that the book featured, in my opinion, at the expense of story. Loved this - how cleverly the plot is crafted.
