Promoting Reflective Practice

Challenging the values and beliefs that form part of our self identity can challenge the very core of who we are.

Read Developing as a Reflective Early Years Professional Online by Carol Hayes, Jayne Daly, and Mandy Duncan

Communications in Information Literacy is another open access journal that publishes research and commentary exclusively on information literacy and library instruction topics. A liberating process that empowers me to make the changes needed to be more successful in life and relationships. Frameworks for Advanced Nursing Practice and Research: Philosophies, Theories, Models, and Taxonomies.

Reflective Practice

Reflective practice is a key element of teaching and this comprehensive and accessible guide introduces and explains this area of practice for trainee and new teachers. In any situation, remember that emotions can significantly influence our perceptions about an experience, and timing or reflection in relation to an event can significantly influence our emotions. Teacher education TE TE or teacher training refers to the policies, procedures, and provision designed to equip prospective teachers with the knowledge, attitudes, behaviors, and skills they require to perform their tasks effectively in the classroom, school, and wider community.

Practicing Reflective Teaching

Some types of subjective instinctive thinking is unhelpful, but other types can be tremendously effective in finding truth and solutions.

Practicing Reflective Teaching

It can be a daunting prospect- but this practical and accessible text guides the way, using the latest research and evidence to support the development of skills in reflective practice and provides help and advice on how to get started, how to write reflectively and how to continue to use reflective practice in everyday situations. Review of Research in Education.
