## How are your human rights protected by the courts?

In emergency situations, always contact your local law enforcement 911 first. There are a number of reasons why a trial is delayed or postponed.

## Supreme Court says California worship restrictions violate religious rights

Victim Allocation: If you are the victim of a violent crime or a crime of sexual abuse, the close family member of a child victim, deceased victim, or an incapacitated victim, you will have an opportunity to inform the court about the crime's impact on you. Republicans ended it for circuit judges, and now Democrats are considering whether to extend that to district nominees. At other times, the defendant or the Assistant United States Attorney asks for, and is granted, a continuance to a future date.

## International Tribunals, World Courts and Human Rights

A subpoena is a formal court order telling you to appear in court, and there are serious penalties for disobeying a subpoena.

## Our Courts Must Protect Civil and Human Rights to Meet This Moment

You may face serious penalties for failing to appear as directed on that subpoena.

## Courts and Consociations: Human Rights versus Power

Protecting your human rights All courts in the UK must interpret and give effect to the law in a way which is as close to the Human Rights Act as possible. In Australia, every state and territory has slightly different police, courts and prison systems.

## The courts aren't coming to save voting rights

Learn More The Leadership Conference coalition has spent decades defending fair and impartial federal courts. Organizing protests, garnering special interest group support, and changing laws through the legislative and executive branches are all possible, but an individual is most likely to find the courts best suited to analyze particulars.

According to the Victim's Rights Clarification Act of 1997, the judge is not allowed to order a victim to be excluded from the trial simply because that victim may testify or allocute at the sentencing hearing. The Assistant United States Attorney may ask the court to dismiss a case that has been filed in court. In some, but not all cases, arrangements can be made for early release of property.
