World War II

Jerry Daddato, OP 18 sent the 1945 June issue of Yank magazine with this photo on the front page. And so it went all day, with small, determined bands of attackers taking out pillboxes one by one. There is that personal connection that mak I have to say upfront that this is a book that had specially meaning to me as I read it in that my paternal grandfather fought on Guadalcanal.

Hell in the Hürtgen

There was no flack going up against them, probably because the retreat had thrown the antiaircraft defenses into confusion. US and European intelligence agencies discovered Russian military intelligence members to be working from the French Alps, according to an NBC News published Thursday.
