## Nonfiction Book Review: SOLDIERS: Fighting Men's Lives, 1901

It was hard and uninspiring work, ill-rewarded too, but Albert always did his best to perform whatever duty was imposed on him and it would never have occurred to him that he might be qualified for something more exacting and better paid. His son found himself an orphan. His father was a general labourer who spent much of his time in forestry work; money was extremely short but the family was never in need and Albert had enough to eat and was adequately clothed.

Life in the Royal Artillery was to be an endless process of mastering new techniques but the basic foundations had been put in place.

### **Database Practice**

This meant that he would forfeit his proficiency pay as a driver, and worse still he felt himself incompetent to undertake the new work. It was there that Alexandre joined them at the beginning of November. The soldiers live at the Royal Hospital Chelsea, an institution founded by King Charles II as a retreat for old or disabled soldiers and opened in 1692 by William and Mary.

Tom Parnell, a cavalryman, joined the army at 17, in 1935, was blinded at Alamein but three months later managed to fight his way up Italy. There was no job on the land that offered any prospect of permanency.

### **Soldiers : fighting men's lives, 1901**

He went to say goodbye to his foster mother in Alderney but found no one else there whom he particularly wished to see. One night a soldier stationed in Alderney accused him of shirking his duty.

He would need at least a Third Class Certificate of Education before he could qualify as a signaller, and that seemed as far beyond him as a First in Greats. Albert knows nothing about the circumstances of the accident: perhaps grief at his wife's death had weakened his father's will to live; perhaps worry or lack of sleep slowed the speed of his reactions. The majority of pages are undamaged with some creasing or tearing, and pencil underlining of text, but this is minimal.
