

# Selected papers on remote sensing of environment

American Society of Photogrammetry - Environmental and Earth Sciences Research Journal

Description: -

-Selected papers on remote sensing of environment

-Selected papers on remote sensing of environment

Notes: Includes abstracts and selected papers from the proceedings of the first, second and third Symposia on Remote sensing of Environment.

This edition was published in 1966

Filesize: 4.49 MB

Tags: #Application #of #Remote #Sensing #and #GIS #for #Flood #Hazard #Management: #A #Case #Study #from #Sindh #Province, #Pakistan

He is currently a Reviewer of the IEEE Transactions on Geoscience and Remote Sensing, the IEEE Geoscience and Remote Sensing Letters, the IEEE Journal of Selected Topics in Applied Earth Observations and Remote Sensing, and Pattern Recognition Letters.

**Remote sensing imagery in vegetation mapping: a review**

Based on SPARK, continued integrating spectral information, ancillary information and contextual information and developed a spatiotemporal image classification model called ancillary data classification model ADCM.
