### 10 Reasons Why You Should Actually Retire at 62 (If You Can)

They say that no one ever reached very old age regretting the things that they did. Your retirement assets should be allocated to guarantee this income for as long as you live. Timing the liquidation of retirement assets is especially complicated by the role that inflation plays in a long-term retirement plan.

### 5 Steps You Can Take to Enjoy Retirement to the Fullest

Doing so is a great way to be kind to yourself and serves as a powerful act of self-care. And, If Walking Is Your Exercise, Walk Fast Many research studies have found that how fast you walk after age 60 is a good gauge of longevity. One area of weakness is life expectancy at age 65, where it was one of the worst states in the nation.

### Retirement Quotes

So be sure to have a look around to find an activity that you can enjoy regularly. Exercising lifts your spirit and energy levels making you feel better. I love being a grandparent in retirement.

### Journey Through the 6 Stages of Retirement

A recurring theme in the study is that all states have their trade-offs between strengths and weaknesses.

### 101 Ways To Enjoy Life In Retirement

Whether you become more active in an organization you may have participated in during your working years or seek out new associations to donate your time to, you can take advantage of the skills and talents honed throughout your career for the benefit of others.
