Sartre, un existencialista muy humano

Pablo and Tom discuss the nature of their impending death as brutally and honestly as they can, even imagining the bullets sinking into flesh.

Sartre Quotes (77 quotes)

But at least five features of Sartre's thought seem particularly relevant to current discussions among philosophers both Anglo-American and Continental. Literature, Sartre concluded, functioned ultimately as a bourgeois substitute for real commitment in the world. Sprache: Französisch Gewicht in Gramm: 120.

Jean

The former is primary and personal, the latter structural and impersonal.

The Devil and the Good Lord

Beginning in 1999 with the fake campaign-oriented website gw bush.
