& Order: Special Victims Parasites (TV Episode 2001)

Often times, workers in conditions of forced labor and debt bondage also experience physical abuse or threats of violence at the hands of employers. In Haiti, a focus on income diversification and gender empowerment underpinned a project working with around 450 growers and their communities, which concluded in 2018.

The Jew as World Parasite (1944)

Not so long ago, a commercial dairy industry in Laos was virtually non-existent. Popular culture is rich with references to 400 years of oppression. Access to a health insurance scheme and income diversification activities were other key elements of the initiative.

American slavery: Separating fact from myth

Unpredictable events like these can hit smallholder farmers hard, especially when

they rely on growing a single commodity for their income. In our paper, we presented graphs showing vital signs of very troubling climate change trends with little progress by humanity.

GUEST BLOG: Dave Brownz

A sustainable future for smallholders is one in which their incomes and living standards rise, so that current and future generations see smallholding as viable and attractive. Maurice Joly wrote a brief pamphlet that at first glance seemed to be directed against the then French government.
