Newberry National Volcanic Monument, Deschutes County, OR, US

The monument is high on the Shonto plateau, overlooking the Tsegi Canyon system on the Navajo Nation in Northern Arizona. Within the caldera are two lakes: and.

Central Oregon Hiking

The leases issued in lieu of relinquished leases shall contain the terms and conditions prescribed in the Surface Resource Analysis of Newberry Volcano and the Land and Resource Management Plan for the Deschutes National Forest, dated August 1990. In the interest of preventing the spread of White-nose Syndrome to bats that reside in the Cave, we ask that you not wear or bring into the cave any clothing or gear you have used in any other cave or mine. We started south by the Paulina Visitor Center pronounced Paul-EYE-nah and named after a male Klamath chief.

Chief Paulina Horse Camp, Deschutes National Forest

The eruptions, which were both explosive and effusive, began with a Plinian explosion of pumice and tephra that covered the caldera's eastern half and reached several hundred miles to the east.

List of national monuments of the United States

Recently a documentary was made about the incredible landscape and geology of the area, and you can watch it for free.
