The Dead Sea scrolls : a reappraisal : Allegro, John Marco, 1923

Digital Antiquity extends our knowledge of the human past and improves the management of our cultural heritage by permanently preserving digital archaeological data and supporting their discovery, access, and reuse. Very minimal damage to the cover including scuff marks, but no holes or tears. Popped my brain every so often, especially in relation to John The Baptist's possible early life-trajectory.

Sekta navíc očekávala mesiáše dva, Davidovského válečníka a Áronovského kněze, což je zřejmě založené na oddělení těchto dvou rolí v dějinách izraelského státu. Thorough account of the discovery, purchase and restoration of the scrolls. Allegro's strength is his deep, personal knowledge of his subject; this is a man who knows the individuals involved.

Stumbled across an original from 1956 in a book store real cheap. Spine may show signs of wear. There are somethings that are over explained and others not explained enough.
