9780822955658: Armfuls Of Time: The Psychological Experience Of The Child

Armfuls of Time eloquently portrays the psychological experience of such children, who are irreversibly changed from the moment of diagnosis. Her therapeutic techniques enable the children to express the experience of living with the threat of loss.

Armfuls Of Time The Psychological Experience Of The Child With A Life Threatening Illness PDF Book

Armfuls of Time eloquently portrays the psychological experience of such children, who are irreversibly changed from the moment of diagnosis. To be surrounded by the profound wisdom that many of these children often possess is utterly awe-inspiring and while I'm not faced with dying children on a daily basis, I have a deep respect for them and this book gave me the courage to give 150% whenever I get
