The best of Franz Kafka (21 books)

Quote: If he stayed at home and carried on with his normal life he would be a thousand times superior to these people and could get any of them out of his way just with a kick.

Drawn and quartered

One day a bank client suggests that he seek help from the court painter, Titorelli. Avoid if you have delicate sensibilities. Reduced to carrying out his professional responsibilities, anxious to guarantee his advancement and vexed with the fear of making commercial mistakes, he is the creature of a functionalistic professional life.

Comics Book Review: The Castle: A Graphic Novel by Franz Kafka, David Zane Mairowitz, and Jaromír 99. Abrams/Self Made Hero, \$22.95 trade paper (144p) ISBN 978

The long torturous process of the court trial pricks the conscious of the readers to find out the culprits behind the sufferings of the young ambitious clerk Joseph K. The timeliness of this release is important to note, as it revitalizes unresolved discussions around what it means to be a woman of color in America. I like that the artist chose to illustrate Joseph K as Kafka himself and her playing with perspective does wonders in terms of capturing Kafka's strangeness and his sudden shifts of scene in his writing.

Buy Eye Classics: The Trial: A Graphic Novel of Franz Kafka's Classic Online At AwesomeBooks

In particular there are panels that represent conversations between Joseph K and other characters in the story where the only thing visible in the panel is a mouth and a one word exclamation. The introductory and final notes on Kafka's life also bookend the story well, providing insight into the author's life.

The Metamorphosis

His work, which fuses elements of realism and the fantastic, typically features isolated protagonists faced by bizarre or surrealistic predicaments

and incomprehensible social-bureaucratic powers, and has been interpreted as expl Target audience: Common people, anyone passionate about the absurd fiction genre. How to Vote To vote on existing books from the list, beside each book there is a link vote for this book clicking it will add that book to your votes.

No further summonses arrive, so K. Gregor, attracted by Grete's violin-playing in the living room, crawls out of his room and is spotted by the unsuspecting tenants, who complain about the apartment's unhygienic conditions and cancel their tenancy. He derives his interpretative approach from the fact that the descriptions of Gregor and his family environment in *The Metamorphosis* contradict each other.
