An Introduction to Sumerian Art and Culture

He then overthrew the king, and set up his own kingdom at Akkad.

The Role of Sumerian Aliens on Humanity

Woolley's discovery of Ur along with the artifacts and burials there give us a glimpse of life in Sumer 4,500 years ago. One can find copious other books and authors, all written in a paraphrase form by this author.

Sumerian Culture

Although somewhat primitive in application, the cloak on the stele is the first representation of body armor in history. In particular, carnelian beads with an etched design in white were probably imported from the Indus Valley, and made according to a technique of acid-etching developed by the. His empire collapsed shortly after his death.

The origins of human beings according to ancient Sumerian texts

The appearance of the helmet marks the first defensive response to the killing power of an important offensive weapon: the mace. They raised cattle and sheep, fished, and hunted wildfowl along the river.
