Small House Plans: 18 Home Designs Under 100m2

Copper House: Quality Trumps Quantity in this Small House of Rich Materials With a floor plan of just 60 square metres, is considered small by Australia's bloated standards. The open floor plan has another benefit.

Small House Plans from Better Homes and Gardens

The Studio: Mighty Mouse Apartment Punches Above Its Weight , , , , If you're a single guy or gal living in one of the world's most expensive cities, affording a place of your own probably seems like an impossible dream, right? Flinders Lane Apartment: Space Efficient Apartment Renovation , , , , At just 75 square metres,.

Small House Plans

Tell us, which is your favourite compact floor plan? Furthermore, its barrier free layout makes it suitable for occupants who might one day find themselves in need of a walker or a wheelchair.

European House Plans, Small French Cottage & Modern Style Designs

.

Small House Plans

House 28: Shipping Container House Floats Among the Trees with Ocean Views House 28 is a deceptively simple which clings precariously to the hillside, taking in stunning views of the ocean. This pretty typical apartment in Footscray was cleverly renovated into a light-filled and flexible home.

Small House Plans from Better Homes and Gardens
