### A Treasury of Great Poems by Louis

Others, such as The Wheels on the Bus and I m a Little Teapot, are more modern. Possible ex library copy, will have the markings and stickers associated from the library. The animated gestures next to each line are relatively easy to imitate and will send hands whirling, fingers fluttering, and arms stretched out wide.

### A Treasury of Great Poems by Louis

The main one is the typos. A delightful book of 20 finger plays, with their rhymes, and drawings of each movement for them. Additionally, each rhyme is beautifully illustrated and articulately depicts the entirety of the rhyme with extra elements that immediately draw your eyes toward them.

### A Treasury of Favorite Poems by Various, Hardcover

The well-known rhymes span the seasons. What parent hasn't scratched their head in wonder when their preschool child comes home with a new finger play that looks really cute but is not easily deciphered. It is organized by theme.

**play.fridaynightfunk.rf.gd: Marc Brown's Playtime Rhymes: A Treasury for Families to Learn and Play Together (9780316207355): Brown, Marc: Books**

This book is a great collection of finger rhymes! Each poem is accompanied by a colorful illustration as well as a small, clear diagram of hand or body movements for each line of the poem. A fine read-aloud choice for young families and an attractive source of rhymes for baby, toddler, and preschool storytimes.

### **A Treasury of Poems for Children**

At first I thought this collection had a better range of poems, but in the end, many I have seen or read elsewhere. Most of the rhymes have repetition, which creates a sense of familiarity and confidence for beginning readers because they know what to expect next. With nearly 440 poems by such greats as Plato, Shakespeare, Byron, Keats, Christina Rossetti, Wilde, Dickinson, Emily Bronte, Sandburg, and more, this invaluable compendium captures the full breadth of human experience and emotions.

### **A Treasury of Poems for Children**

There are one or two things that bother me about it though.

### **A Treasury of Poems: A Collection of the World's Most Famous and Familiar Verse by Sarah Anne Stuart**

Other than that, it is pretty good. Each rhyme appears on one or two double-page spreads, illustrated with large, softly colored pictures.

### **Marc Brown's Playtime Rhymes: A Treasury for Families to Learn and Play Together by Marc Brown**

Playtime Rhymes is an excellent choice for any parent and child to share together.
