El Malpais National Monument

Tiger Tail starring Roy Rogers and Trigger, art by Albert Micale; Roy is trailing two runaway palomino horses when he encounters two escaped tigers as well. Grassed — to be thrown from a horse. The first section was a gradual climb, nothing to different from what we had already encountered, but as it got going, the surface deteriorated into a combination of sand, rock slabs, large loose rocks, and chunks of rough lava.

Benson Pony Express

I think the wind kept me around 10-11 mph for the last 45 miles. The Range Orphan starring Roy Rogers and Trigger, art by Albert Micale; Pete, Pat and the new kid, Billy Watkins, spot rustlers with a truck, and Billy rides back for help. At least water sources were reasonably spread out today.

Exploring Southwest New Mexico By Motorcycle

Reaching Mal Pais is not a simple joyride.

Freedom Riders National Monument

Photo cover of the famous singing cowboy, plus interior photos. TD is a solo challenge, however, racing in the company of other challengers is tolerated.

Benson Pony Express

Ideally any rider who defaults on any part of rules 2 through 5 will honorably scratch from the GC. We cooked a huge dinner and a breakfast to pack in the town park and I spent the evening getting the bike ready and charging lights, the car packed and ready to pick me up at Antelope Wells, and transition into the journey home. In Malpais tours are offered through the countryside, in the backlands of Cabo Blanco, or along the beach.

Riding Across the Great Divide

Here you can snorkel or scuba dive in crystal-clear water. The casualties included a Navajo woman and her two small children. Medicine hat — not a particular breed, but a particular color — unusual pinto pattern where the base of the horse is white, but the ears and around the entire top of the head is brown, black or roan; horse looks like he has a tight cap on.
