Raw Materials Diplomacy

We also reference original research from other reputable publishers where appropriate. By contrast, a traditional development economist would argue that it should not export wood; instead, it should add value by transforming the wood into paper or furniture — something that Finland also does.

The Importance of Effectively Managing Raw Materials Inventory

Determine if there are special directions for handling the material, such as if employees need to wear a face mask or other personal protective equipment PPE or if the material needs to be shaken before use. And many SMB organizations do not have the ready cash flow and reserved resources to recover from excess inventory nor the resources to expedite when faced with shortages.

Sourcing Strategy
