Contents About the site, On this site you will find some acts of war in which the German 11 th Infantry Regiment took part. Giải pháp tối ưu đối với quân đội Đức Quốc xã là rút quân khỏi các mặt trận xa, những chỗ lồi để có thể dành ra một số lực lượng dự bị đủ mạnh. The story is inconsequential but the scenes of the workers on the high beams are fascinating in those days before special effects, there is even a fight, and remember the cameraman and a bulky camera had to be there too.

First Rzhev

. The 17th Tank Brigade found that not enough fuel were getting through to keep all the tanks in action, and artillery was having to be held back in favour of advancing combat units. The Russian army attacked the Germans on many occasions.
