

Peril and promise - a commentary on America

Perennial Library - How Is America's Hottest City Coping With Rising Heat?

F16. Commentary Analysis/Trend -- TV

David Thomson, *Alta Journal*, "The Never-Ending Content Stream"

<https://bit.ly/3n8e2Uu>

Judges' comment: Thomson brings his vast knowledge of film and TV to this outstanding and perceptive piece about the perils and promises of the huge number of shows available for streaming on TV. A thoroughly absorbing article earning it a First Place award.

2nd - Jen Yamato, *Los Angeles Times*, "For Japanese Americans, 'The Terror' is personal"

3rd - Esther Kusanowitz, *The Jewish Weekly of Northern California*, "Our Boys will make you uncomfortable, which is exactly why you should watch it"

How Is America's Hottest City Coping With Rising Heat?

We must put aside liberalism and conservatism in favor of cooperation and action. Chancellor was critical of military leaders in the 1970s and if he were alive today, Chancellor would like acknowledge the respect and honor of today's service member. Major funding for Peril and Promise is provided by Dr.
