Secret Language of Animals Oracle Reviews & Images

A crown or a mountain in one deck will carry a very similar connotation in any other deck.

The secret language of tarot

The whole deck is a special construction of symbols, and they have only two purposes here: 1. The ritual universe of the Order of the Golden Dawn. In the RWS deck there are nineteen cards that contain a crown, and these come in many forms, each with a meaning of its own.

The Secret Language of Tarot :: \$5.99

I have been a Tarot enthusiast and member of this amazing group since August of 2005. Each chapter offers a set of symbols that share a common theme, with plenty of background information surveying myths, realities and research. Ruth Ann and Wald are consummate teachers, so they present their information in a format that makes the book, not just a text of scholarship, but a valuable teaching tool.
