The Rich Get Richer and the Poor Get Prison : Ideology, Class, and Criminal Justice by Jeffrey Reiman (2003, Trade Paperback, Revised edition) for sale online

I'd be interested in reading an updated edition mine was from 2004. Reiman's argument is very sound and iterated throughout the entire book.

The Rich Get Richer and the Poor Get Prison: Ideology, Class, and Criminal Justice

Reiman is the author of In Defense of Political Philosophy 1972 , Justice and Modern Moral Philosophy 1990 , Critical Moral Liberalism: Theory and Practice 1997 , The Death Penalty: For and Against with Louis P. The Poverty of Criminals and the Crime of Poverty. Share: Jeffrey Reiman's book is an excellent antidote to The Real War on Crime and The Tough on Crime Myth.

THE RICH GET RICHER AND THE POOR GET PRISON IDEOLOGY CLASS AND CRIMINAL JUSTICE

The Rich Get Richers shows readers that much that goes on in the criminal justice system violates citizens' sense of basic fairness. Why aren't the tools of the criminal justice system being used to protect Americans from predatory business practices and to punish well-off people who cause widespread harm? The authors develop a theoretical perspective from which readers might understand these failures and evaluate them morally--

Back cover.

The Rich Get Richer and the Poor Get Prison: Ideology, Class and Criminal Justice

It was funny because this person's little notations really made me cast a more critical look at what the author was saying and I found myself agreeing all the more with Reiman's theses. The E-mail message field is required.

Leighton, The Rich Get Richer and the Poor Get Prison: Ideology, Class, and Criminal Justice, 10th Edition

The system is set up for people to think that poor minorities are the ones we should fear and that they cause the most harm. He is Vice President of the local chapter of the American Association of University Professors AAUP and is Vice President of the Board of SafeHouse, the local shelter and advocacy center for victims of domestic violence and sexual assault. Instead of focusing on the specifics of the system, Reiman calls attention to the ideological justification for it, in particular our societal narrative of crime and punishment, and uses statistical information to debunk a number of common myths.

The Rich Get Richer and the Poor Get Prison: Ideology, Class and Criminal Justice

The system is set up for people to think that poor minorities are the ones we should fear and that they cause the most harm.

Abstracts Database

Often, they tend to jump to an abolitionist conclusion while they are only really able to make a case for, say, reducing mass incarceration, ending privatised prisons, changing some US-specific practices, or if you really want to read them uncharitably for black people to be incarcerated at equal rates to white people. The best-selling text, *The Rich Get Richer and the Poor Get Prison* contends that the criminal justice system is biased against the poor from start to finish.

The rich get richer and the poor get prison (2001 edition)

Given they have no option and no will, that would mean that the poor are born criminals.
