Dutiful dissent can provide young people with important skills and insights on the current political, economic, and institutional landscape that may inspire or motivate engagement with other types of dissent, including more disruptive modes. Shockingly, thousands of practitioners have been detained and severely tortured with nerve-damaging drugs in mental hospitals. For example, young citizens may be encouraged to seek alternatives to prevailing ideals or practices through their religious convictions.

Review: Transnational Activism at a Crossroads: Pushing the Envelope from Below, from Within, and from Abroad on JSTOR

Knowing that states rely upon them for needed investment and finance, TNCs and international financial actors have been able to bargain, especially with developing states, from a strong negotiating position Stopford and Strange 1991; Oman 1994; Milner and Keohane 1996. It also highlights some of the flaws in the corporate-driven self-monitoring process.
