When that unprecedented mass-settlement in Poland came into being, there were simply not enough Jews around in the west to account for it; while in the east a whole nation was on the move to new frontiers. There is a universal pension system covering all residents, employed persons, and self-employed individuals.

Paris FAA: Anthony Fazio res. A recent rule to recognise by Government grants-in-aid every school which 'has not less than sixteen scholars on its roll has called into existence hundreds of village schools for the instruction of the masses, hitherto untouched. Construction is also an important contributor to the economy, although its scope is necessarily limited.

Bibliography (codes [kpa] to [krz])

None of the really small countries of the world have ever had any success at the Olympics—the populations are generally too small to support top-tier athletes.
