Our 6 Favorite Books to Read in the Bathtub

Below are a few favorites to get your little one to learn more about and enjoy bath time.

Bathtime for Biscuit Printables, Classroom Activities, Teacher Resources

The only sad thing is that it is kind of small, which means a lot of panning during storytime. There will also be a lot of bath-related asides because they are actually in the bath about what your flavour of body spray says about you, who gets the tap end, and how bath bombs work. You can even start to help him understand that if you pour water from a wide container into a skinny one.

Bathtime for Biscuit (My First I Can Read Series) by Alyssa Satin Capucilli, Pat Schories, Paperback

She is also well known for her acting roles on The Wonder Years, The West Wing, and multiple Hallmark Channel movies, and as a quarterfinalist on Dancing with the Stars. And so, with a constant series of asides and interjections, they stagger bravely through the novella, hopefully reaching some kind of a coherent conclusion by the end of the week. Never mind that he had been fine—excited, even—about taking a bath all this time.

Bathtime Mathtime: Shapes (McKellar Math) (Board book)

Holding your little one on your lap is the perfect time to bond physically and emotionally - as you share in the pictures and stories together. Now we need to get you clean. They are measuring, finding shapes and patterns, and even beginning to explore the concept of time.

McKellar Math: Bathtime Mathtime: Shapes (Board book)
