The commission may make and alter by laws and rules and regulations to govern its procedures consistent with the ordinances of the municipality and the laws of the Commonwealth. Any such plan shall be generally consistent with the State Water Plan and any applicable water resources plan adopted by a river basin commission. In the event the applicant disputes the amount of any such expense in connection with the inspection of improvements, the applicant shall, no later than 100 days after the date of transmittal of a bill for inspection services, notify the municipality and the municipality's professional consultant that such inspection expenses are disputed as unreasonable or unnecessary and shall explain the basis of their objections to the fees charged, in which case the municipality shall not delay or disapprove a request for release of financial security, a subdivision or land development application or any approval or permit related to development due to the applicant's dispute of inspection expenses.
