The edition of 1859 owed embellishments to Crowquill, while Cruikshank supplied some characteristic woodcuts to that of 1869. Baron Munchausen is full of whimsy, fantasy, bright colors, and fabulous characters.

Привязанный к кресту колокольни, он не мог спуститься на землю.

As soon as we had related this extraordinary adventure to the governor, he sent a waggon and servants, who brought home the two carcasses. So if I could get rid of the ground and avert hitting it I would survive.

### **Adventures of Baron Munchausen by Raspe/dore, Gustave**

I commanded our caravan to halt, and dismounting, advanced uncovered, with only two attendants, towards his Majesty.
