## Economy of Pakistan

Two years ago, I did not take much interest in feminist activism or feminism in general but, with time, I realised how I had been conditioned into thinking that it was okay for the society to work in a certain way. Aurat March is a brilliant initiative.

## Pakistan reopens 126

Their sense of urgency was understandable, but their refusal to disclose basic contractual details rightly stoked worry.

## Finance Minister urges timely release of NGMS spectrum

Parts of Hudood Ordinances that pertain to rape and adultery and the impact these had on female rape victims forced feminists of the time to step up and protest for their rights. The targets identified with the allocation could be strategic as well as issue specific.

## Pakistan, Kuwait discuss latter's possible investments in CPEC

Side by side, a significant depreciation in the value of local currency also played a role in increasing inflation.

## Pakistan, Italy express resolve to further expand relationship in all dimensions

In the absence of any nationally based political party, Pakistan has long had to rely on the civil service and the army to maintain the continuities of government.

## Pakistan Development Update, November 2017 : Managing Risks for Sustained Growth

Though portions of the Islamic economy have remained in place, the state began in the 1990s to privatize—in whole or in part—large sectors of the nationalized economy. When I unlearned this and learnt about how a patriarchal system works, I could see how relevant activism was to my

life. In the Karakorum alone 30 peaks soar over 24,000 feet 7,500 m and culminate in the 28,250 feet 8,612 m high K2, second only to Mt.

### **The past, present and future of feminist activism in Pakistan**

You have referred to interest rates being increased by 1. Pakistan's President Arif Alvi said that Pakistan has deep-rooted cultural and economic links with China-ASEAN region and Pakistan is deeply committed to further strengthening and diversifying these ties by exploring the feasibility of a China-ASEAN Trade Triangle that would propel three-way cooperation in trade, investment, culture and tourism.
