16.2 Sociological Perspectives on Education

A motive is a complex of subjective meaning which seems to the actor himself or to the observer an adequate ground for the conduct in question.

Sociology in nursing 1: can sociology help to improve nursing practice?

Tainted by racism, the behavior of teachers socializes all students to have low expectations for youth of color.

Research Methods in Sociology

Why do so many households today have dual incomes? Social scientists who apply symbolic-interactionist thinking look for patterns of interaction between individuals. It can be stated that both fields study human behaviour but from different aspects.

Chapter 1. An Introduction to Sociology

.

What Is Socialization All About?

Only in this way is it possible to assess the causal significance of irrational factors as accounting for the deviations from this type.

Research Methods in Sociology

Statistical uniformity's are adequate generalizations only insofar as they they manifest understandable subjective meaning.

Chapter 1. An Introduction to Sociology

In all these cases, the borderline is quite indefinite. Retrieved February 24, 2014, from Durkheim, Émile. Having a better understanding of the various theories of the interaction between society and religion has made my theological work much stronger; it adds another lens through which I

can approach my own interests.

What Is Socialization All About?

Latent functions can be beneficial, neutral, or harmful. Whatever this significance may be, it will lead us to judge certain phenomena of human existence in its light and to respond to them as being positively or negatively meaningful. It can also be used to promulgate guiding rules to govern the state.
