Mengzi yi zhu (1960 edition)

Mengzi yi zhu xiao zu.

Shang Shu : Yu Shu : Yi and Ji

Wang Sai Ching 1526—1590 of the : The brush strokes in his calligraphy were swift without attempting at formality, yet none of his strokes and dots were not in conformity with the rules of calligraphy. Otherwise, there would be an implied disregard of the potential of human society heading into the future.

Yi Zhou Shu

This does little to distinguish him from other early Chinese thinkers, who also noticed that human beings were capable of altruism as well as selfishness. One of the main charges was essentially that the concept depended upon a vision of society modeled on the family and rooted in hierarchical and even elitist relationships. With respect to order, knowledge comes first, and with respect to importance, action is more important.

Shang Shu : Yu Shu : Yi and Ji

Albany: State University of New York Press, 1990.

Mencius

His mother claimed that it was written in The Book of Rites that before a person entered a room, he should announce his imminent presence loudly to let others prepare for his arrival; as he had not done that in this case, the person who had violated the rite was Mencius himself. Meng died in Arizona in 1990 at the age of 90.

Yi in Confucianism

There will be occasion for repentance.

Mengzi 孟子 (play.fridaynightfunk.rf.gd)

Indeed, his calligraphy possesses stability and elegance in construction with a continuous flow of energy.
