### Foundation Funds for NGOs Archives

Aristos has extensive experience in management consulting and in public policy advice. Beyond a commitment to serving our constituents and supporting educational opportunities for all students, Mary has a passion for community service and the arts. The main focus of the project resulting from the residency is expected to be inspired by archival practices related to contemporary art creation.

### National Reforms in School Education

GR is the idea that brings her closer to what she dreamt for: an easier, faster and more patient friendly access to the Greek healthcare system. I wish all those involved every success. However, it needs to be noted that there is always an aspect of trial and error when solving a problem, as the even the most rationally considered thought has be to be tried out within the experience.

### The Life

It is also responsible for the distribution of Lottery grants.

### Speakers

The Sending Organisation on behalf of the CEA will send the application form available in English and French only to. And we have a following desperate to see the return of live performances once restrictions are lifted. We must embrace and celebrate difference and diversity in order to create a better society for all.
