**The Sporting News : Take Me out to the Ball Park (Trade Paperback) for sale online**

We'll be happy to assist you. Also, at this writing baseball has added nearly 20 new ballparks and four new teams since the late 1980's, so this interesting book is a bit out-dated.

**Take me out to the ballpark: Baseball stadiums bring back drive**

Warner Park, more commonly referred to as the Duck Pond, began its movie showings June 18 after Wisconsin signed an order last month allowing the reopening of drive-in cinemas with restrictions.

**Take me out to the ballpark: Baseball stadiums bring back drive**

The photographs in this book are wonderful. And the fact that many of these ballparks no longer exist makes this book even more valuable.

**Take me out to the ball park: Reidenbaugh, Lowell: 9780892041015: play.fridaynightfunk.rf.gd: Books**

College teams especially will be hit particularly hard in the coming months due to fund cuts from their respective schools, loss of ticket sales and dwindling donations.

**Take me out to the (abandoned) ballpark: What's next for languishing stadiums?**

We'll be happy to assist you. There is shelf wear on the front and edges of the heavy protective case but it did its job to protect the book and it did that job well.

**Take me out to the ballpark: Baseball stadiums bring back drive**

To make up for such financial changes, a handful of baseball stadiums and local sandlots have transformed their parks into drive-in movie theaters.
