The Importance of the Old Testament

But it is naive to think that this can be done in any neutral or objective fashion.

Jesus in the Old Testament

Or is the Old Testament a record of God's Revelation to man in history? Ashley attended Ambassador College in Big Sandy, Texas, graduating in 1976 with a theology major and minors in journalism and speech. Much academic study of the Bible seemed to consist largely of its dismemberment. There are encyclopedias of Biblical Theology, journals devoted to Biblical Theology, and people occupy chairs of Biblical Theology.

Assuming that the land was not redeemed and the farmer again fell into debt from which he could not recover, he would forfeit all of his land to the creditor. However, his clear arguments support the premise that the Old Testament is grounded upon that which God Himself did in history.
