FREE Online Grammar Checker

If the element is in the middle of the sentence, use a comma before and after the element. Many newspapers, magazines and public relations offices across the United States use AP style. What are some resources for learning grammar? For a complete guide to AP style, writers should consult the most recent edition of the Associated Press Stylebook or visit.

Best Grammar Checker

If the age is used as an adjective or as a substitute for a noun, then it should be hyphenated.

Top Reference Works for Writers and Editors

After: I am exhausted and I only want to go to bed. Example: The man had five children and 11 grandchildren.

How to Write Dialogue

An example is 'write' and 'right'. It applies not only to -es but also to -ed, -er and -est. See Also Office for Mac applications automatically check for potential spelling and grammatical errors as you type.

What is grammar? Grammar definition and examples

There will be times when it requires you to decide, for example, selecting a word that is the most suitable in a sentence. If it's a short pause, like that just was, you probably need a comma. To give you a chance to practice proofreading, we have left seven errors three spelling errors, two punctuation errors, and two grammatical errors in the text of this handout.
