## Public Land Survey System

If we combine pastures used for grazing with land used to grow crops for animal feed, livestock accounts for 77% of global farming land. I will research the Hage reversal; however, the fact SCOTUS refused to hear the appeal is not any indication of anything—SCOTUS is presented with many cases and denies most all of them being brought before the bench—atleast that is my understanding.

## Towards a history of privatizing public lands in Michigan 1785

Most were surveyed from 1819 through 1821 immediately upon the cession of all former Spanish lands to the U.

## A Brief History of the public lands, the BLM and grazing

All other sections were to be made available to the public at auction. The remaining states had no claims to the area.

## Land Use

Later amendments of the Homestead Act allocated more land, as much as 640 acres 2.

## Towards a history of privatizing public lands in Michigan 1785

They are different also in their temperature, being as cold as common water: which is not mentioned, however, as a proof of a distinct impregnation.

## Land Ordinance of 1785

Cash purchases were discounted by 10 percent, but this was still out of reach for many.

## Land Policies

See the various references to this family during the formative years of America in Gary Nash, *The Unknown American Revolution* New York, Viking, 2005.
