Sins of the Mothers

Her lavish gesture every year expresses her love for them, and regret at all the important times she missed during her children's younger years. Although we are not responsible for the sins of our fathers parents or children we must ensure we are not influenced by them to sin likewise and learn from their mistakes. In Danielle Steel's character-rich new novel, Olivia faces the past, tries to balance the present, and makes amends where due, while still running her vastly successful business.
