Sampson, who is said to have been among the first who preached the gospel in the island, and whose name the neighbouring church bears.

Part III

His story combines place-name legendry with the well-known horror legend plot sequence of a man going crazy and murdering people with an axe.

Children's Folklore: A Handbook (Greenwood Folklore Handbooks)

As elephants became an object of scientific curiosity in the mid-twentieth century, wildlife biologists explored elephant families and kinship,

behaviors around sex and love, language and self-awareness, and enhanced communications with sound and smell. The former is a very honest account of the Gaon's life, but a little too short.
