CAB Direct

The conclusion about the process of cost management as a complex sequential process is presented, which represents a rational ratio of the main indicators of the project - time, cost, personnel, information resources and quality. This chapter discusses the meaning of labour-saving in Soviet planning, draws attention to the indicators used to convey labour-saving signals to the enterprises and examines the utilisation of limits on employment set from above.

S_4_68_Filipkovska_Nos

The purpose of the work is to form approaches to managing the cost of an innovative project at an industrial enterprise on the basis of an integrated approach. Книга бюджетна спеціалістам, роботаюшчим в проєктних організаціях, на промислових підприємствах, експлуатуючих системи охолодження, підприємств топливно-енергетичного комплексу, студентам, спеціалізуючимся в області водопостачання та опалення.
