This is the earliest extant, complete, vocalized biblical manuscript. D-im npl 51 Q i? The Leningrad Codex is the oldest complete Hebrew Bible still preserved. They rejected the claims of the Old and New Testament, and their own behavior towards those who were Hebrew was abominable, and a STRONG and serious violation of multitudes of commandments and instructions about how to treat those who are Hebrew.

Biblia Hebraica Stuttgartensia

The modern translators have little in common with the earlier authentic Christians or Christianity. But Jerome in the preface to each book of the apocrypha which he translated into Latin, stated that the apocryphal books were NOT inspired. After all, if you look into the details, many who publish the Bible are themselves ;, and they make NO claim to be so.

Biblia Hebraica Stuttgartensia: SESB 2.0 Version

Of course, being forced to admit a falsehood does not make it true. This is no longer necessary, so BHS has created a new type of קסורה גדולה, expanding upon the notes in the קסורה גדולה in a volume by G.
