## The Church's Role in Eradicating Poverty [UPDATE]

It was here that his association with Irish Land Reform began. What are the various methods used and what are the measures taken for poverty eradication around the world? It is important that we join hands as all sectors to promote inclusive economic growth and job creation, and to improve the business environment, despite the negative global economic climate. Some more moderate elements in Mexico called for political and electoral reform, upset at the long and more or less uncontested rule of Díaz.

## How land reform and rural development can help reduce poverty in South Africa

Many of our people have waited for far too long for this process of land restitution and compensation to be completed.

## Land reform

I am busy writing the proposal of what the next five years would be like. Let them receive a copy of this great magazine from you every month.
