## A Dictionary of Russian Verbs: Bases of Inflection, Aspects, Regimen, Stressing, Meanings by Edmund Daum

The unidirectional verb serves as the base for the perfective, and the multidirectional as the base for the imperfective. Мы наконец доехали до дачи. I seem to remember making fun of Connel for his initial contributions, some admins at the time berated him for some if I recall, and he turned out to be a somewhat prolific editor in the end ; Admins are busy, I know that, it isn't always easy to be fully communicative and the benefit of the doubt takes more effort, but we do need more help and something about honey and vinegar comes to mind with regards to that.

## Linguistic glossary

CAUTION: American Ginseng should not be taken by people with high blood pressure or by women who are pregnant.

## A Glossary of Linguistic Terms

This is spoken as if it is a normally formed word. May cause sensitivity to sunlight and should never be taken by people with skin cancer.

**A dictionary of Russian verbs : bases of inflection, aspects, regimen, stressing, meanings (Book, 1986) [play.fridaynightfunk.rf.gd]**

Should we add all of them, for every inflected form of every declinable? A dictionary would be expected to contain only one definition for all five words. It also grows in Latin America and the Caribbean. There have been a grand total of 3 comments on the , one each in November 2006, December 2006 and August 2007.
