## Taylor's Descriptive Syllabus

We saw no-one else trying to use the equipment while we were there, but the Lab has only just begun operations. CO;2} } 1029 Landis, Geoffrey A. For example, a manuscript reproduced as a book is described as a book; a book reproduced on microfilm is described as a microfilm; a text that has been digitized is described as an electronic resource.

## Canadian Library Association [WorldCat Identities]

Apply this rule to bibliographic resources that are made up of two or more parts, two or more of which belong to separate material types for example, a book and a sound recording.

## Joint Steering Committee for Development of RDA: A Brief History of AACR

Organizing acquisitions: The Yale University experience.

## Collected Reports

Hanson of the Library of Congress to revise these rules. Part II, Description Consisted of revised rules from the 1949 Library of Congress rules.

## Paper on status of shark predation on manatees

. From vendors, librarians should demand more and better content guarantees, purchase options, communication of content details and changes, full-text searching, and persistent URLs for individual titles.

الزام‌های حقوقی انتشار مصاحبه‌های تاریخ شفاهی در فضای مجازی

If the title appears in two or more languages, use the one that is in the main language of the bibliographic resource as the title proper. The pantropical spotted dolphin is distributed in all major areas of the Caribbean Sea, including the eastern coast of Central America 5.

#### **Paper on status of shark predation on manatees**

This means that the types of records catalogers encounter in Connexion increasingly will reflect the new policies. Optionally, give any other place that is in your country.

#### **Practical Strategies for Departments (Third Millennium**

The need for these is indicated in the CONCISE AACR2 by words and phrases such as if appropriate, important, and if necessary.
