### Booklet, Presbyterian Church of Victoria: Fifty Years of Fellowship: 1888

Father Thomas, the celebrant, also preached an appropriate and effective sermon every morning. The port opening was well-timed, giving employment to hundreds of workers thrown out of employment at mills and mines, and likewise keeping up the commercial prestige of the parish in foreign quarters. An important town planning initiative.

### ASHLEY, NORTH DAKOTA'S GOLDEN JUBILEE 1888

At present the Ashley Mission consists of two Sunday schools, numbering an enrollment of about one hundred fifty-five pupils, one Women's Missionary Society with eighteen members, and a Ladies' Aid consisting of twenty-four members.

### The Political Graveyard: Politicians Who Died at Age 50

The quartett was scheduled on the program three times a day for three days during the WNAX Gasoline dealers' convention. Before railroads came to Calcasieu in the wake of the great lumber development of this section of the State, transportation of the products of the forests over rivers, lakes, and smaller streams had long been practiced. New uniforms were purchased, some of them still in use today.
