Islamic Modernism: Responses to Western Modernization in the Middle East

Furthermore, the American economy has historically done better than those in Europe at generating the kinds of jobs that low-skilled immigrants can do, which makes it easier to absorb them. Yet some suburban communities and small towns have been vigorous in their implementation of environmental and energy and water conservation policies Dietz and Vine, 1982; Berk et al. But the concept is entirely new.

The Failure of European Multiculturalism

Immigration of this kind embodies not only lawbreaking but also unfairness, penalizing those from other countries who wish to live in the United States but abide by the established rules for doing so. Their reaffirmation of Islamic identity and unity would reestablish and assure continuation of a vigorous Islamic community.

The top 10 threats facing Europe, according to Europeans

Unlike the rest of Europe, they insist, France treats every individual as a citizen rather than as a member of a particular racial, ethnic, or cultural group. But over the longer-term, the second shock had much more effect than the first. Any political misstep could set off fresh hostilities that would dim growth prospects.
