The Salt of America: Part I: The Ancestry of Howard T. Taylor of Daviess County, Kentucky

He had completed but a short time before the preparation for the press of a valuable genealogical work, which under the supervision of his son, Richard M. Boyle, of Los Angeles, Cal.

John Riggs (1669

I can give you the address if you like. But this little side glimpse does make us wonder how any motion could be passed and particularly, how the convention could settle that question, to which it gave the great part of its consideration, namely, the adjustment of differences between the large and small states. Basically, you had to have been eligible for a warrant of 5,000 acres upon proof of service as a field officer rank of Major, Lt.
