A Brief Political History Of The United Kingdom

The has the second largest party membership, but a smaller number of MPs as it only fields candidates for constituencies in Scotland.

UK Politics

The predominantly Tory lower Anglican clergy could no longer become bishops and Tory merchants were refused government contracts or directorships in any major company.

Tories (British political party)

The coalition partners campaigned on opposite sides, with the Liberal Democrats supporting AV and the Conservatives opposing it. In 2019, Boris Johnson was appointed Prime Minister after Theresa May stepped down during Brexit negotiations.

How government works

Wyndham's death in 1740 led to the breakdown of the coalition between the Tories and opposition Whigs.

AQA

On 20 December 2019, the was passed.

How government works

While this breakdown of two-party politics can mostly be understood in terms of recent U.

British Government and Politics on the internet, including departments, acts and reports: plucked from the web by Sylvia Milne, a retired librarian

It even triggered the occasional military disaster — most notoriously in the loss of the American colonies, but also in successive setbacks during the wars with France between 1793 and 1815. During this time, the Tories fiercely competed with the Whigs for power, and there were frequent Parliamentary elections in which the two parties measured their strength.

AQA

Electoral reform was a major priority for the Liberal Democrats, who favour but were able to negotiate only a referendum on AV with the Conservatives.
