Islam and the West

In the Western world, Muslims continue to face an increasing degree of prejudice and racist bigotry based on misinformation and widespread misconceptions regarding their traditions and belief system. In Israel a pipeline system has been built to divert water from the Jordan River to the desert areas of the Negev.

The Syrian Brotherhood was the most influential political force in the opposition after the uprising against the Damascus dictatorship began. Traders lived in stone houses in a section which possessed 12 beautiful mosques as described by , one centered on.

Muslim Brotherhood

If passed, the bill would have required the State Department to report to Congress within 60 days whether or not the group fits the criteria, and if it did not, to state which specific criteria it had not met. Muslim cotton developed in Mosul Iraq became a favorite commodity and a new word in the Western vocabulary, as did damask fabric from Damascus , fustian cloth from Fustat, Egypt.
