## Haunted Stamford: 1692 witch trial

The House of the Seven Gables and The Scarlet Letter have their roots in hysteria and the finger of accusation and in the dark, romantic New England setting with its layers of dark history. There was no more of that until the 1960s. In Cameroon, DRC, Ghana, but also in Brazil sporadic child-witch-hunts have a tradition of at least 100 years.

## Massachusetts Halloween covid spike spooks Salem, Airbnb marks Orinda

In November 2010, the Supreme Court refused to ratify the death sentence, stating that there was insufficient evidence that his actions had harmed others. The probe fell flat, and was mocked in several Variety headlines. There was a more general chilling effect: Humphrey Bogart, who had been one of the most prominent members of the Committee for the First Amendment, felt compelled to write an article for magazine denying he was a Communist sympathizer.
