On this the literal interpretation of the qui pascit gregem inter lilia is wrecked; for a shepherd, such as the shepherd-hypothesis supposes, were he to feed his flock in a garden, would be nothing better than a thief; such shepherds, also, do not concern themselves with the plucking of flowers, but spend their time in knitting stockings. Una novela con un misterio como los de antes: pistas que llevan a equívoco, personajes que no son lo que aparentan, personajes caraduras pero adorables. Příběh je poměrně komplikovaný, přesto si v průběhu lehce domyslíte pravděpodobný
